**Model:** 1050x1050CNR

**Width:** 1050mm

**Height:** 1900mm

**Length:** 1050mm

This unit features the Two Walls and Base in One Piece, a Foot Rest/Shelf, Soap Tray and a Self Draining Floor with a Central Waste. A larger version of our 950 x 950 CNR, it allows for More Elbow Room but while it will pass through a standard 800mm door, it must have adequate space inside and outside the room to allow it to be manoeuvred back to right way up. This unit is more suited to a screen to help contain the water.
