

900mm x 900mm Low Front Shower Cubicle

Model: B900x900LF

Model: B900x900LF

Width: 900mm

Height: 1820mm

Length: 900mm

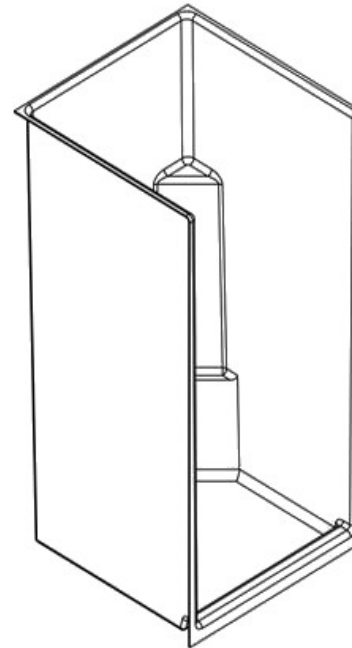

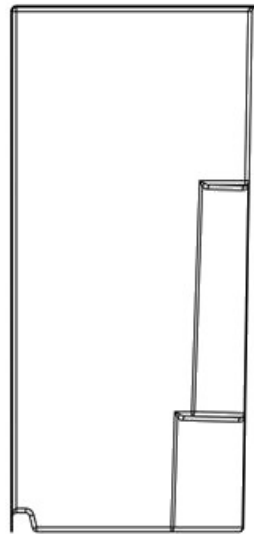

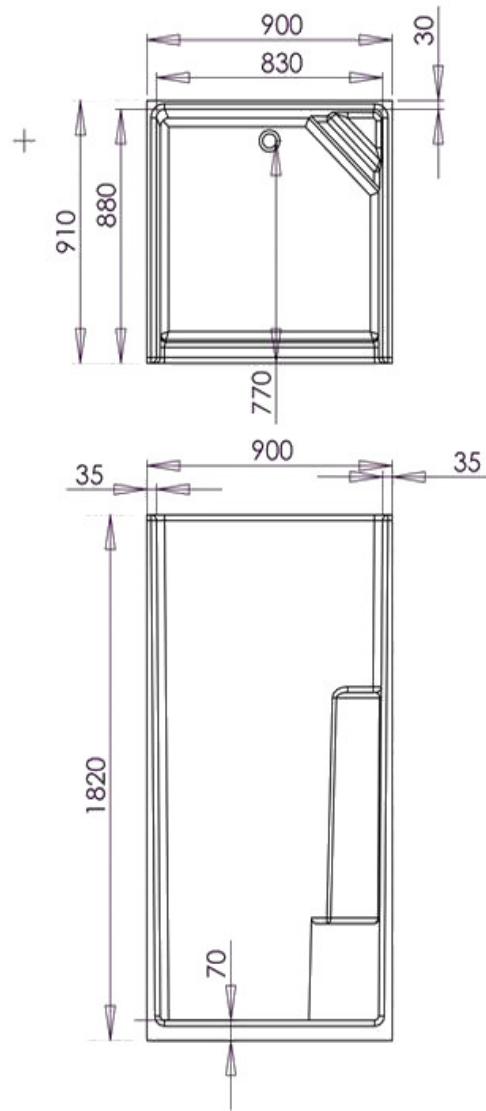

The 900 x 900 shower is regarded as the most common shower size. This unit features the Three Walls and Base in One Piece, a Foot Rest/Shelf, a Soap Tray and a Self Draining Floor with a Rear Waste. This low front model is more suited for use with a screen to help contain the water.
